

REMARKS

Responsive to the Response To Notice Regarding Benefit/Priority Claim(S) (Part 2 – Copy to be Returned With Response enclosed herewith), we herein provide an amendment to correct the priority and benefit claims in this application.

This amendment introduces no new subject matter. This amendment also is believed to be conform with the statutory requirements and particularly the discussion and guidance for submitting such amendments, as set forth in 1268 Off. Gaz. Pat. Office 89 (March 18, 2003), and therefore is understood to not require a petition or payment of a fee.

Applicant has endeavored to put this case into complete condition for examination and therefore asks that the Office now handle the case accordingly.
